

# Coronavirus (COVID-19) Information

EVERY PERSON ENTERING THE FACILITY MUST READ

**To keep the staff, children, and community safe, please do not enter the building if:**

- ✓ In the last 14 days
  - You have tested positive for COVID-19
  - You or anyone in your household have been tested for COVID-19
- ✓ You or anyone in your household think they could have COVID-19

**...or if you or anyone in your household (including children) have one of these symptoms or have been in close contact with anyone with one of these symptoms:**

- ✓ Cough
- ✓ Shortness of breath or difficulty breathing
- ✓ Fever

Or at least two of these symptoms:

- ✓ Chills
- ✓ New loss of taste or smell
- ✓ Vomiting/diarrhea (children)

**If you have any of these symptoms, contact a health professional.**

**Be aware, you are at higher risk if you are:**

- ✓ Age 65 years or older
- ✓ Pregnant (It is not yet known if pregnant women are high risk but pregnant women should protect themselves from all infectious diseases)

**...or have any of these health conditions:**

- ✓ Chronic illness such as lung disease or moderate to severe asthma
- ✓ Heart disease
- ✓ Immunocompromised, including those undergoing cancer treatment
- ✓ Severe obesity
- ✓ Diabetes
- ✓ Renal failure
- ✓ Liver disease

**Staff concerned about being at risk should discuss with their supervisor.**

### Daily Health Check

**Staff will conduct a standard Daily Health Check on every child, every day and exclude if he/she:**

- ✓ Has a temperature above 100.4 or any symptoms listed above.
- ✓ Is unable to participate in activities as normal
- ✓ Needs more care than staff can provide without compromising the health and safety of other children

**Staff will also check for signs of illness periodically throughout the day for:**

- |                                   |  |
|-----------------------------------|--|
| ✓ Changes in behavior or mood     | ✓ Unusually warm skin                              |
| ✓ Looking different from normal   | ✓ Eating or drinking more or less than usual       |
| ✓ Complaining of not feeling well | ✓ Vomiting   |
| ✓ Pulling at ear(s)               | ✓ Having abnormal stools, diarrhea or unusual odor |
| ✓ Runny nose or eyes              | ✓ Not urinating                                    |
| ✓ Cough                           | ✓ Being off balance or walking unevenly            |
